**Re: Flyer – Islamic Centre of Markham.**

Dear Dr. Siddiqui  
Assalamu Alaykum

I am very disturbed by the flyer that was passed on to me, it is upsetting to see my name and financial reference mentioned in the flyer without any consultation with me to benefit some individuals.

I understand this flyer was distributed at the Masjid at Jummah time without the permission of the Masjid management.

My donations for projects to the Islamic Centre of Markham and Masjid Darul Iman are with mutual agreement and I have full trust in the management which I stand behind. Our Community is so blessed to have such a capable, hardworking, and sincere team.

You and your team has done an outstanding job for the community, and you will always have my full support!

Regards

Shakir Rehmatullah
